94C DRUG OFFENSE HARDSHIP CRITERIA

NOTE: These requirements are subject to change at the RMV's discretion. Application for hardship will be subject to the requirements in place on the date of application.

Although an applicant may meet all requirements, issuance of a hardship license is only granted at the

reasonable discretion of the RMV based on the facts of the case. There is **NO** evidence of any operation since the effective date of this revocation. The operator has had no other 94C offenses, either prior or subsequent. The **MINIMUM** amount of time (50%) of the revocation has been served for hardship consideration. All other active revocation periods are COMPLETE. The applicant has provided documented proof of completion of the proper drug treatment program. The applicant must present documentation of three (3) clean urine screens. The clean urine screenings must be from the 3 months preceding the issuance of the hardship. The applicant has provided a letter from probation, less than 30 days old, stating that the applicant is in compliance with probation. The operator has documented a legitimate hardship. Applicant must provide a letter from his/her employer, on letterhead, less than 30 days old. The letter must state the applicant's need for a hardship license and the work hours. A self-employed applicant must present proof of self-employment. Acceptable forms of proof consist of a business certificate, tax forms indicating self-employment, and/or a current professional license. The applicant must also present a letter on his/her own behalf explaining his/her need for a hardship license and the hours requested. Applicant's applying for a hardship license for other purpose (i.e. education, medical treatments), require third party documentation of the hardship. Twelve (12) hours are allowed for a hardship license. Hardship hours must be consistent with documentation presented by the customer at the time of the hearing. The applicant is responsible for providing proof regarding the availability of public transportation. This proof may be included within the employer's letter. The applicant may also provide local bus/transit routes, mapquest etc. Ignition Interlock Device is required if: 1. An OUI revocation has completed, while the 94C has been in effect, AND 2. There are two or more OUI(s) on the record,

3. An OUI revocation has completed and the applicant never reinstated for the OUI offense and there are two or more OUI(s) on the record.
